

Pioneering Package and Shipping Platform Solutions

Package and Shipping Management Software by QHero

Your solution for seamless shipping and receiving between accommodation and guest.

Elevate The Guest Experience!

Imagine a world where your guests are notified the moment their package arrives at your property, where their luggage is delivered to their room before they arrive, and where they can effortlessly request labels for outgoing shipments.

QHero makes this a reality for your property.

Why Choose QHero?

Streamlined Package and Shipping Process

Many properties struggle to efficiently track and manage packages. From intake to delivery, QHero simplifies the entire package shipping and handling process for guests.

Monetize Package and Shipping Services

QHero allows you to capture unrealized revenue from package handling and shipping for your guests, creating an untapped source of income.

How QHero Works

4. Convenient Billing

Automatically bill guests upon successful package delivery.

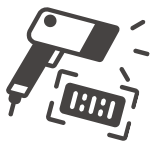

3. Automated Guest Notifications

Automatically notify guests when packages are received or shipped. Schedule deliveries based on guest arrival times.

2. Package Status and Preferences

Monitor package status. Select delivery preferences.

1. Streamlined Package Management

Easily scan and input information for newly arrived packages. Maintain guest information for future visits.

QHero will adapt to your property's unique needs.

QHero is adaptable to your hotel's unique needs. You can create labels, schedule pickups for outgoing packages, and effortlessly manage forwarding or returning packages for checked-out guests.

Easy Reporting

Simplify reporting with user-friendly dashboards.

Customizable User-Friendly

Partnership & Expansion

QHero's platform offers your property a comprehensive package – including specialized hardware and dedicated customer support for your shipping and receiving needs.

Scaling with Success

By capturing unrealized revenue, QHero turns a cost center into a profit center by allowing your property to collect commissions from shipping services. Our pricing structure is simple – with a flat monthly subscription fee your property.... (Brandon to finish)
